- Additional government fees are always required to complete any filing. These will be added to the prepayment Phase II amount, held in trust until paid to the USPTO.
- Phase II prepayment links are sent only after the Phase I consultation is complete and the client wishes to proceed. Phase I fees are mandatory for all filings.
- All services (such as searching, illustrations) must go through DBL to be eligible to use HUB services.
- Additional expedite fees may apply in specific cases.
